

Hello Parents, Cadets, and Officers!

Bernard Gallant Photography would like to offer formal portraits for the cadets and officers of your cadet unit. I have been a professional photographer for many years and more importantly, I was a part of the cadet program for more than 20 years as both a cadet and an officer. As a former Commanding Officer of 650 Vanier, I will be donating all profits from this activity to the squadron. Your money will be going directly towards the photos and back to your cadets.

All images are printed on high quality paper with archival quality inks that are guaranteed to last for at least 100 years, even if displayed in sunlight. All images have a lamination layer added for further protection. With the purchase of a photo package, we will also distribute a web-quality digital file that you can use for social media.

We will have two photo taking sessions (20 October and 17 November). If you are interested in participating, please ensure that you wear your blue uniform when you want to be photographed and that you are looking your best! If you do not have your full uniform yet, you can wait until the later date.

Following the photo taking session, you will be sent a link by e-mail to a website where you can see a preview of the image and order photos if you like them. You can buy a package and save a bit of money or simply buy separate photos. We expect images to be delivered 2-3 weeks after the images are captured. They will be distributed through your unit.

Thank you!
